## Ways to give with Northland Community Foundation

### Forever Funds - Grow your giving through an Endowment Fund

You can donate funds for us to hold forever. The Northland Community Foundation invests the funds and delivers the interest from these funds back to your particular area of interest.

Donations of any size are welcome to contribute to current endowment funds. Investing the donation enables the funds to grow over time with only the income (interest) from the fund spent on causes you love that will support your community forever.

\* Estimated growth rate of 5.7% for future years & annual distribution of 3%.

### Corporate Giving

If you are a business and interested in Corporate Giving we can talk to you about how best to set this up. Countdown Kids Hospital Appeal is a great example of corporate giving for the Child Health team providing funding for medical equipment every year.

### Payroll Giving

You can make regular donations through Payroll Giving. Not only is it an easy way to donate, there is also the added bonus of an immediate tax benefit. If you donate \$5, the government pays an extra \$2.50, only costing you one coffee per week. Speak to your employer or give us a call about how to set this up.

### Donations through Wills

You can also donate through your Will, it can be as much or as little as you want.
