Thank You!

Whangārei Hospital – Children's Ward Pediatrician Dr Renee Liang, Mackenzie and Rochelle.

"When we care for the whole family, our treatment becomes a lot more effective. This is the principle of whānau-centred care: the child, cradled within the support of their family. Your gift will help our staff care for the whole family and make their time in hospital a lot easier."

- Dr Renee Liang

Whangārei Children's Ward Refurbishment Appeal

Whangārei Hospital Children's Ward – Patient Mackenzie and mum Rochelle.

Whangārei Children's Ward Refurbishment Appeal

We know that children who are welcomed and looked after in a caring, calm, supportive environment when they are in hospital are less likely to regress in their health, which makes for a quicker recovery back to good health and less stressful experience. This is something we would all want for our children should they be in this situation. The purpose of this fundraising campaign is to ensure that every child who becomes a patient at Whangārei Hospital benefits fully from a calm and supportive environment.

Donations to this appeal will provide items such as comfortable chairs and beds for patients and caregivers, distraction devices (interactive wall designs, graphite wall wraps, treatment room monitors, TVs for patient rooms, special learning equipment, laptops, gaming consoles), upgraded furniture and new whiteware. We will also need your support with

fundraising for Te Reo Māori resources (wall decals, books, and games) and additional paediatric medical equipment specifically designed to support the clinical needs of our children. This in turn will have the added benefit of helping to reduce the pressure on an already stretched health system.

With your support for this appeal, we can go above and beyond the traditional clinical setting, which is more conducive to the care and environment we want to provide to our children in hospital. For more information about the Appeal go to our website here or scan the QR Code on the front: <https://northlandcommunityfoundation.org.nz/giving/funds/health/whangarei-childrens-ward-refurbishment/>

Make a donation

Whether you'd like to donate towards something specific or you're happy for your donation to go where it's most needed, we can accommodate your wishes. You can make a one-time donation or give through payroll giving, make a bequest through your will or set up a health endowment fund. We can help arrange any of these options. Simply call us to talk about your plan or email us at info@northlandcommunityfoundation.org.nz

Your gift will help to provide comfort to our children and family at their greatest time of need

Fundraise for us

Are you up for a challenge and looking to make a difference? It is easy to fundraise for Whangārei Children's Ward Refurbishment through your companies' social activities, school events or club activity. Simply contact us and tell us about your plan. We will guide you through how to set up a fundraising page and provide you with ideas on fun collateral. We will support you all the way to complete your challenge, knowing that you've made a difference!

Tell your friends and family about us

Help us spread the word about what we are doing. Maybe you know someone who might like to make a donation? Or rather than receive a birthday gift this year, they might want to donate to Whangārei Children's Ward Refurbishment instead? Maybe your friend or company would like to support or partner with a charity – how about suggesting us?

Volunteer

Do you have a few hours to spare? Northland DHB always needs volunteers to help patients find their way in the hospital or offer companionship. You could also help NCF with fundraising, administration, or events.

The options are endless, please get in touch and have a chat with us.

You can call us on 021 558 224 or 0204 139 8518 or email info@northlandcommunityfoundation.org.nz

ABOUT US

The partnership between Northland DHB and Northland Community Foundation (NCF) focuses on encouraging community giving to benefit the health needs of all Northlanders, now and in the future. Health Fund PLUS was set up by Northland DHB and Northland Community Foundation to allow people to make donations to Northland hospitals or services for the 'optional extras' that are so important to patients and their family. You choose exactly where you want your donation to go, and we make sure that is exactly where it ends up.
