

Whangārei Children's Ward Refurbishment

Frequently Asked Questions

Why are the Northland Community Foundation raising funds for Whangārei Hospital?

Northland DHB has partnered with the Northland Community Foundation (NCF) to focus on encouraging local individuals, communities, and businesses to donate to support the health needs of all Northlanders, now and into the future. “Health Fund PLUS” was set up in collaboration to enable people to make donations to Northland’s hospitals and services for the much needed ‘extras’ that are so important to the health outcomes of our patients and their whanau but that can’t otherwise be funded.

Why do you need to raise the funds now, if the refurbishment won’t be finished until December 2023?

Planning for this type of project is complex and as mentioned above the refurbishment costs are just one element of a complete rebuild of the Children’s Ward at Whangārei Hospital. Refurbishment costs need to be incorporated into the project design from the outset, and the DHB need to be confident that the refurbishment costs have been secured before they can be incorporated into the overall plan.

Frequently Asked Questions

Can my company or family sponsor this project and gain recognition on the ward?

Absolutely, we have sponsorship opportunities at a range of levels, please get in touch to have a conversation with us about this.

With DHBs being disestablished, and a new National Health Service taking their place, will this project still go ahead?

Yes, the project will go ahead as construction of the Whangārei Children's Ward is scheduled to begin in October 2021.

Will projects like this still need the additional funding once a new National Health service is in place?

Yes, projects like this will still need additional funding with a National Health service, as they provide a higher quality of healthcare than the Government can provide on its own.

How to get in touch?

If you have any questions or would like to donate, please don't hesitate to give us a call or email us:

Phone: Greta Buchanan 021 558 224 or Sophie Lane 0204 139 8518
